**Required Documentation to be submitted with Application, according to p. 74 of the zoning ordinance, the following must be provided (drawing or sketches in free hand or computerized are accepted):**

- The actual shape, location, and dimensions of the lot.
- The shape, size, and location of all building or structures to be erected, altered, or moved and any building or other structures already on lot.
- The existing and intended use of the lot and of all such structures upon it, including, in residential areas, the number of dwellings units the building is intended to accommodate.
- Such other information concerning the lot or adjoining lots as may be essential for determining whether the provision of this Ordinance are being observed.

Applicant certifies that all information is correct and does hereby acknowledge that the work noted above will conform to the codes and ordinances of the Village of Bismarck, Vermilion County, and the State of Illinois. **Applicant understands that this is not a permit but only an application for a permit and work is not to start without a permit.**
