APPLICATION FOR BUILDING PERMIT INFORMATION

1. Obtain an application from the Village Office, 106 E. Holloway, or download a copy from the village website: Villageofbismarck.org. Obtain the permit before any construction, demolition, remodeling, repair, etc.
2. Complete the Application form and submit fee:
\$25 fee (Homeowner completing work)
\$50 (Contractor completing Work).
3. Submit the application with the required information by the 20th of the month preceding when you would like the permit approved. The building permit will be placed on the Planning Commission Committee's agenda the 2nd Tuesday of the following month and the Bismarck Village Board of Trustees regular meeting agenda for approval the 3rd Tuesday of the month. Please check notification outside Village of Bismarck Office for date changes.
4. Permits Required (quoted from the Zoning Ordinance 8-16-2003 p.79):
No building or structure, or part thereof, shall be hereafter erected, altered, moved, or repaired unless a Site Plan Permit shall have been first issued for such work. The terms "altered" and "repaired" shall include any changes in structural parts, stairways, type of construction, type, class or kind of occupancy, light or ventilation, means of egress and ingress, or other changes affecting or regulated by the Village of Bismarck Building Code, or this Ordinance, except for minor repairs or changes not involving any of the aforesaid features.
